67.—Percent distribution by residence in 1955 for persons 5 years old and over, for the United States, urban and rural: 1960.....	S44	92.—Percent distribution of families by number of own children under 18, for conterminous United States: 1960 and 1950.....	S54
68.—Percent distribution by residence in 1955 for persons 5 years old and over, by color, for the United States: 1960.....	S44	93.—Fertility ratio, for the United States: 1890 to 1960.....	S54
69.—Percent distribution by residence in 1955 for persons 5 years old and over, for the United States: 1960.....	S44	94.—Number of children ever born per 1,000 women 15 to 44 years old, by age, for conterminous United States: 1910 and 1940 to 1960.....	S54
70.—Movers, 1955 to 1960, as percent of the population 5 years old and over, by States: 1960.....	S45	95.—Number of children ever born per 1,000 women 15 to 44 years old, by age and color, for the United States: 1960.....	S54
71.—Percent distribution of the population by year moved into present house, for the United States, urban and rural: 1960.....	S45	96.—Number of children ever born per 1,000 women 35 to 44 years old, by States: 1960.....	S55
72.—Percent of the population who moved into present house in 1959 or 1960, by regions and divisions: 1960.....	S45	97.—Persons 14 years old and over in the labor force, by sex, for the United States: 1940 to 1960.....	S56
73.—Percent of the population 5 to 24 years old enrolled in school, by age, for conterminous United States: 1910 to 1960.....	S46	98.—Percent in the labor force for persons 14 years old and over, by age and sex, for the United States: 1940 to 1960.....	S56
74.—Percent of the population 16 and 17 years old enrolled in school, by States: 1960.....	S46	99.—Percent in the labor force for persons 14 years old and over, by age, marital status, and sex, for the United States: 1960.....	S67
75.—Percent of elementary school children enrolled in private schools, by States: 1960.....	S47	100.—Nonworker-worker ratio, by regions: 1960.....	S57
76.—School retardation—percent of twelve-year-old pupils enrolled below the sixth grade, by States: 1960.....	S47	101.—Nonworker-worker ratio, by States: 1960.....	S57
77.—Median years of school completed by persons 25 years old and over, by regions and divisions: 1960.....	S48	102.—Percent distribution by weeks worked in 1959 for persons 14 years old and over who worked in 1959, for the United States, urban and rural: 1960.....	S58
78.—Median years of school completed by persons 25 years old and over, by color, for conterminous United States: 1940 to 1960.....	S48	103.—Labor force status and year last worked for persons 14 years old and over, by sex, for the United States: 1960.....	S58
79.—Percent of the population 20 years old and over who completed 1 or more years of college, by age and sex, for the United States: 1960.....	S48	104.—Percent distribution by class of worker for employed persons, by sex, for the United States: 1960.....	S58
80.—Percent of the population 25 years old and over who completed 4 or more years of college, by States: 1960.....	S49	105.—Percent change by class of worker for employed persons in agriculture and nonagricultural industries, for the United States: 1940 to 1960.....	S58
81.—Functional illiterates—percent of the population 25 years old and over who completed less than 5 years of elementary school, by States: 1960.....	S49	106.—Percent distribution and percent female, 1960 and 1940, and percent nonwhite and percent unemployed, 1960, by major occupation group, for the United States.....	S59
82.—Selected characteristics of civilian veteran males and of other males 20 years old and over, by age, for the United States: 1960.....	S50	107.—Percent distribution by broad occupation group for employed persons, by States: 1960.....	S60
83.—Percent of the civilian male population 14 years old and over who are veterans, by regions and divisions: 1960.....	S51	108.—Number of workers employed in each major industry in 1960 per 100 employed in 1940, for the United States.....	S61
84.—Percent of the civilian male population 14 years old and over who are veterans, by States: 1960.....	S51	109.—Percent distribution by broad occupation group for employed persons, by major industry group, for the United States: 1960.....	S61
85.—Percent distribution by marital status for the population 14 years and over, by color and sex, for the United States, urban and rural: 1960.....	S52	110.—Percent of employed persons in manufacturing industries, by States: 1960.....	S61
86.—Percent change by marital status for the population 14 years old and over, by sex, for the United States: 1950 to 1960.....	S52	111.—Percent of workers working outside county of residence, for the United States, by size of place: 1960.....	S62
87.—Percent of persons ever married living with first spouse, by age and sex, for the United States: 1960.....	S52	112.—Percent of workers using public transportation, for the United States, by size of place: 1960.....	S62
88.—Percent distribution by household relationship, for conterminous United States: 1940 to 1960.....	S53	113.—Percent of workers who walked to work or worked at home during the Census week, by States: 1960.....	S62
89.—Percent distribution by type of quarters and sex for persons in group quarters, for the United States: 1960.....	S53	114.—Median income in 1959 of persons, by sex, for the United States, by size of place: 1960.....	S63
90.—Percent of married couples without own household, 1960 and 1950, and by color, type of residence, and region, 1960 for the United States.....	S53	115.—Percent increase, 1949 to 1959, in median income of persons with income, by color and sex, for the United States, urban and rural: 1960 and 1950.....	S63
91.—Percent of persons under 18 years old living with both parents, by color, for the United States, urban and rural: 1960.....	S53	116.—Percent distribution by educational attainment for males 25 years old and over, by income in 1959, for the United States: 1960.....	S63
		117.—Income in 1959 of families, by color, for the United States: 1960.....	S64
		118.—Median income in 1959 of families by number of related children under 18 years old, for the United States: 1960.....	S64
		119.—Median income in 1959 of families, by States: 1960.....	S64

SOURCE TABLES FOR FIGURES

The tables listed below refer, unless otherwise indicated, to those in this report. The designation "State table" refers to those appearing in the State parts of this volume. The designation "1950 table" refers to those in U.S. Summary Part 1 of 1950 Population Census Volume II; or if so stated, the State parts of that volume. There are no table references for figures 1 to 8 and 12.
